A FUEL TABLET?

Yes! Using these fuel tablets regularly will **reduce fuel consumption by up to 15%** or more in an average vehicle under normal driving conditions. That could save you hundreds of dollars every year in fuel costs.

Reduces polluting tailpipe emissions for the vehicle you drive, an average driver will generate for 5,000 pounds to over 20,000 pounds of pollution a year. Only you can reduce the pollution you generate today by thousands of pounds per year just by using Biomile!

Biomile **will add power** to your vehicle new or old, large or small, the Fuel Tablet adds extra power to any vehicle you drive.

Biomile cleans your engine. A cleaner engine is a more efficient engine that **lasts longer and cost less** on repairs and maintenance.
